We can also custom make the floating bed to suit your product. We can quote you for this work on sight/sample of your product.

Easy to use manual hot foil printing machine which can print onto Leather, PVC, Plastic, Paper, Card etc.

Use 'off-the-shelf' Type (Metal Letters) for instant personalising/monogramming.

Our optional 'Floating Bed' makes it a possibility to print onto shoes ...

... as well as paper bags, hand bags etc.
