A quick summary

FOILCRAFT JUNIOR

A great low-cost starter machine for personalisation work. Height can be adjusted by upto 2" to print onto leather goods, notebooks, pencils etc.

FOILCRAFT EZ PRO

A compact and very popular machine with a very generous print area of approximately 4"x3"

Height can be adjusted by 5". Options such as 'Floating Bed', Self-Centring Letter Holder and Lock-A-Block make this machine extremely versatile for printing onto key fobs, luggage tags, purses, handbags as well as notebooks and pencils.

This machine is ideal for someone looking for an 'all rounder' without breaking the bank balance.

FOILCRAFT MAYFAIR

A compact machine designed mainly with one line personalisation in mind.

Supplied with a self-centring letter holder, it makes setting up letters quick and easy - great for a busy location.

A sliding print bed which is also grid marked makes it easy to line up your work whilst a unique laser light helps further with correct alignment.

If one line personalisation is your main aim, then this machine is the perfect machine option for you.
